

lingoking

WE ARE **MORE THAN JUST A TRANSLATION** PLATFORM

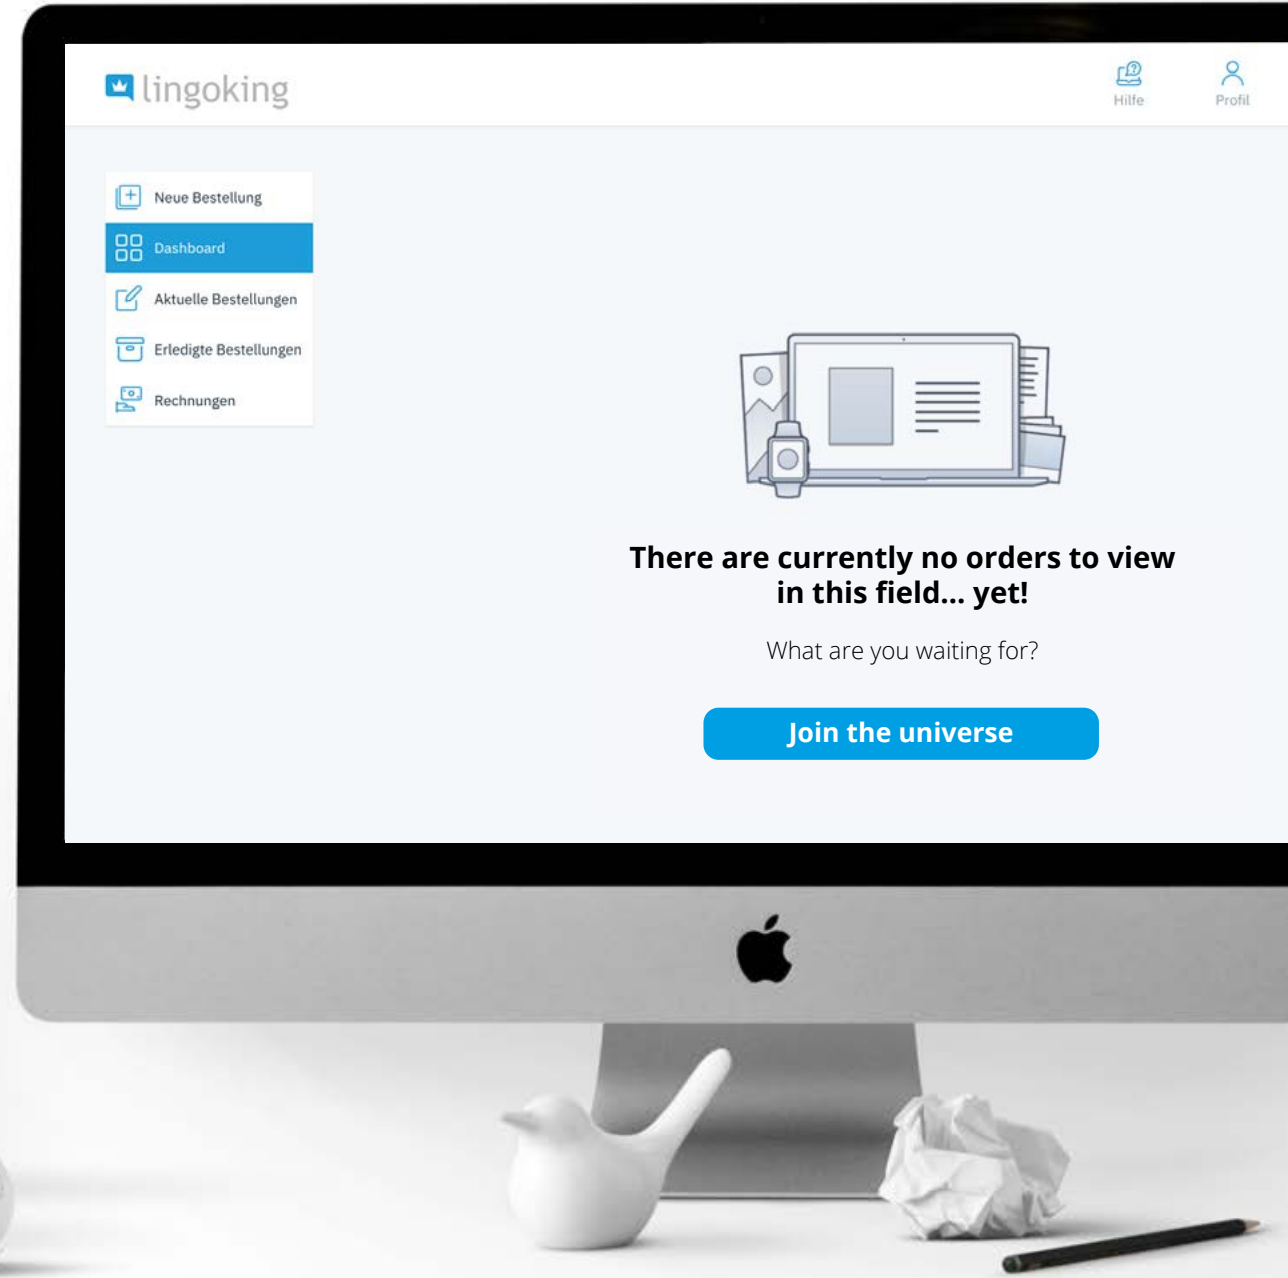

#WeAreLingoking

One partner, one access, one dashboard, one universe for the fulfillment of all of your translation needs.

AI-supported software and our network of professional translators help accelerate and simplify more than just your translation-related processes. Our **Magic Mountain platform** also grants you unique service and direct access to our network of selected linguists.

We make it our mission to provide you with the best and most reliable service that meets all of your unique needs. Quality, integrity, and reliability are just as important to us as timely delivery and guaranteed recognition of your personalized **certified translations** and documents by official offices and authorities.

What we offer you

An **API solution** that enables **seamless integration into your workflows**, that simplifies and accelerates the translation ordering process, no matter how big the job.

A **highly qualified team of translators** with **native-level proficiency** who not only deliver top-level linguistic quality, but also take into account and adjust for cultural differences.

An **engaged Support Team** that's right at your side to offer technical support and answer any questions, all the while ensuring that your translated documents fulfill **all legal and official requirements**.

One-of-a-kind **standardized services** accessible via our online shop for translations, which enables us to handle your projects in a timely and cost-effective manner, guaranteeing you a **fair cost-benefit-ratio**.

Our References

ADAC

Over 80 offices of the ADAC **trust in the lingoking API**. With the help of a single interface as well as our services, the ADAC has expanded its service portfolio, and now offers its customers speedy translation of driver's licenses.

 **Bundesagentur
für Arbeit**

With **over 1000 certified translations** each month, we assist the German Federal Employment Agency by delivering translations of birth certificates, diplomas, and other official documents for new residents to ensure their successful integration into the German job market.

LACOSTE

For more than 10 years, we've collaborated with companies like Lacoste, HEAD Sports, and Simba Dickie, providing them with **translations of product descriptions and specialized texts**, delivered with the promise of sustainable growth in their new and existing target markets and marketplaces.

Ratings and reviews

"We love working with lingoking. Their team members are highly competent, helpful, and always friendly. Not least of all, lingoking delivers outstanding quality-- they're great, they're fast, and they're thorough."

Laura-Jane Freutel | Engel & Völkers

"We had a need, and lingoking delivered, literally, in the purest sense of the word. Working with them was uncomplicated, professional, and downright fun. The quality of their translations was excellent, and we'd trust lingoking's translation expertise any day! Would gladly work with them again."

Santino Schneider | Ascopharm

"Fast turnaround, top-level translation quality, and above all, lingoking's translators brought our satisfaction up to 100%."

Carina Dworak | Mrs Sporty

OUR PHILOSOPHY

Customer focus: Even with a volume of over 35,000 projects per year, our **customers remain our top priority**. We listen and seek to understand their individual needs, and give our all to exceed expectations.

Innovation and advancement: We offer unique solutions and the best service there is. With **AI-supported technologies** and our **self-created platform**, we strive for efficiency, speed, and accessibility.

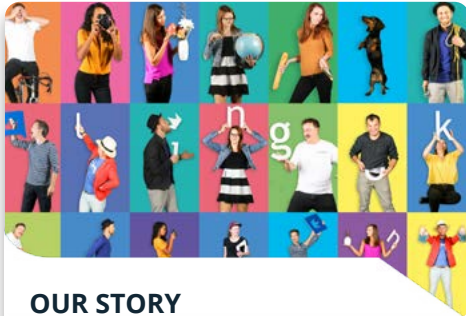

Guaranteed satisfaction : For us, quality, precision, and expertise are king. Our translators are **carefully selected**; each of them brings extensive experience and **expertise in their respective specializations** to the table.

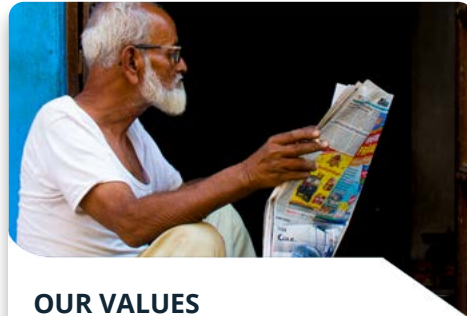

#LIFE #LOVE #WORK

We're passionate about what we do. Especially when it means we can add value with our service.
Let's champion greater diversity and tolerance in our society, and write international success stories together.

OUR STORY

In 2009, lingoking founders Nils Mahler and Timo Müller set off on an inspirational road trip through Corsica. Find out what happened next, and read more about the team behind lingoking here.

OUR VALUES

We do more than just share our values; we actively uphold them. As part of the German diversity charter Charta der Vielfalt, we push for greater tolerance and diversity, within our company and beyond.

OUR NETWORK

We're proud of our references, our linguists, and our partners, and of course we're happy to share more about them. Best practices and inspiration from our network keep us all moving forward.

OUR GUIDE

We love languages, foreign countries and cultures. With our guide and white papers, we'd like to give you a hand in finding new solutions for your needs.
